

WordCamp Montclair

What is a WordCamp?

WordCamp is a conference that focuses on everything WordPress. WordCamps are informal, community-organized events that are put together by WordPress users like you. Everyone from casual users to core developers participate, share ideas, and get to know each other.

We welcome everyone from absolute beginners to expert designers, marketers, and coders. If you use WordPress in any way, you'll enjoy and benefit from these conferences.

Our Venue

For the WordCamp Montclair 2022 event, we've chosen the School of Communications and Media building on the campus of Montclair State University. We think you'll like it as much as we do!

This expansive, two-level, state-of-the-art building has killer views of the Manhattan skyline. There are plenty of indoor and outdoor areas to relax, meet sponsors, make business connections and new friends, and catch up with old friends. Or, feel free to find a cozy corner to enjoy a cup of coffee!

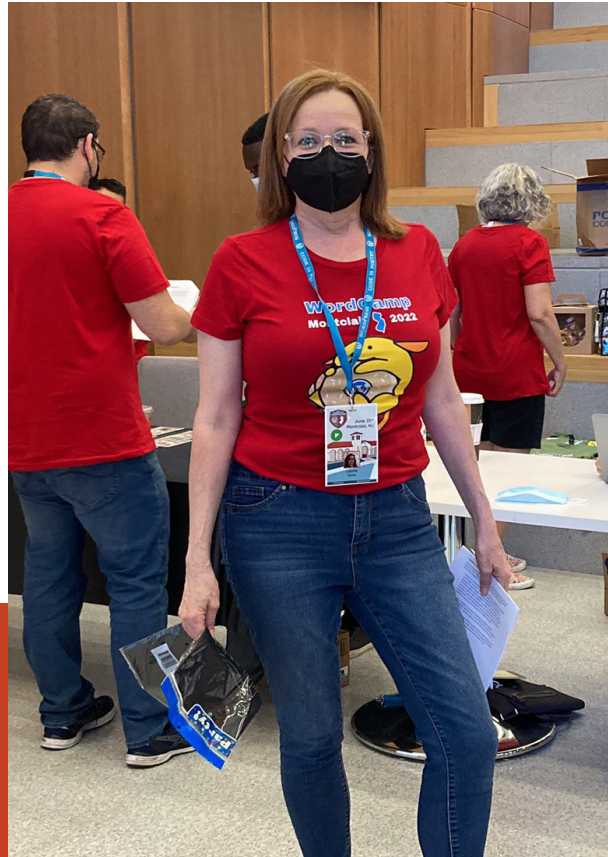

Accessibility

Our conference venue is accessible to those utilizing assistive devices such as wheelchairs and scooters. Elevator access connects our two presentation spaces.

Come. Join us at Montclair WordCamp 2023. We're looking forward to seeing you!
